November 2025 Perks

November highlights key awareness days promoting safety and inclusion. **National Safeguarding Adults Week (17–21 Nov)** focuses on preventing abuse and protecting vulnerable adults. **International Men's Day (19 Nov)** celebrates men's wellbeing and positive role models. **International Day for the Elimination of Violence Against Women (25 Nov)** raises awareness of gender-based violence and the need for collective action.

● Welcome to November

Welcome to the November edition of our newsletter! This month is filled with opportunities to learn and stay inspired on your journey.

This edition covers everything from the launch of **Skills Bootcamp**, identifying learning barriers, understanding your **End Point Assessment** and so much more that would keep you engaged as you read with a cup of tea or coffee.

As always remember to share your feedback using the feedback link below.

Regards

Rosemary Nwankwo

Skills Bootcamp Launch

We are excited to announce the launch of our **Skills Bootcamp in Social Care!** This 12-week programme is designed to equip learners with the knowledge and confidence to start a rewarding career in the care sector.

Do you know someone **currently unemployed** and interested in social care? **Refer them today!** Upon completing the programme, they will receive a guaranteed job interview with one of our partner employers.

APPRENTICESHIP WELLNESS “Barriers to Learning”

Sometimes, learning challenges are not always obvious. You might be feeling unmotivated, overwhelmed or distracted but not realise these are signs of hidden barriers to learning. Common examples include learning difficulties like **dyslexia or ADHD, language barriers, financial stress, childcare or balancing work-home life.**

Remember, you are not **alone!** Talk to your Assessor/Tutor, Learner Engagement Officer (Rosemary) or the Safeguarding Lead if you are struggling. We can connect you with extra support and relevant agencies.

Acknowledging a barrier is the first step to overcoming it. Support is always available when you reach out!

End Point Assessment

You will get a job interview upon completion

Personal Development

Your personal development is important to us. Take advantage of the career information, advice and guidance sessions available for you today.

Do you want to progress to a **new job, promotion, or university**, you will need an outstanding CV. Book a [one-to-one session with Chinwe](#) to review your **CV** and prepare your **cover letter/ personal statement.**

Like Aisha, **imagine holding your certificate and knowing you have successfully completed your journey.** It is a memorable moment! The **End Point Assessment (EPA)** is your final step, showing you

have mastered the knowledge, skills and behaviours required for your qualification.

Across **each level**, the EPA includes **Knowledge tests, practical observations and professional discussions.** Each stage is carefully assessed, and you can achieve grades such as **Pass, Merit, or Distinction.**

Completing your EPA is more than a qualification; it is proof of your dedication and readiness to excel in your career. Your certificate is not just paper. it is recognition of your commitment and a stepping stone to exciting opportunities in your field.

To all learners who have completed their EPA, kindly share your feedback [HERE.](#)

TOTUM Voucher Codes

As an apprentice at JS Consult, you can **SAVE BIG** on your everyday shopping, eat & drink out for less, get discounted travel, make savings at 100s of locations and much more. Reach out today for one out of the 100 voucher codes for grabs.

Newsletter Feedback

Thanks to those who have given us their **feedback** on our apprenticeship monthly newsletters. Please take 3-5 minutes to share more feedback. Please click on the link below: [Feedback Link](#)

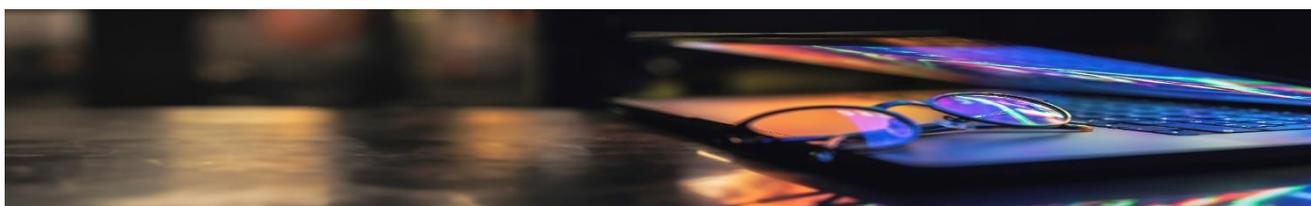

Apprenticeship Community

Join our community of volunteers or the alumni group. Also, register your interest in representing your peers by contacting the Learner Engagement Officer at r.nwankwo@jsconsultltd.com

Free Course Alert!

We have provided this short course on **Infection Prevention & Control** for **FREE** to support your understanding of it.

Understand how to prioritise what is important and what is urgent. Learn about time management skills, and some of the theories behind them in this short **Time Management** course.

Apprenticeship Information Resource
