● Welcome to 2026 – A message from The Director

Welcome to 2026! As we step into a new year of growth and possibility, this edition of the Learners' Newsletter highlights key updates to your programmes, important dates, learner support resources, and success stories worth celebrating. You will also find guidance to help you stay on track with your learning goals and make the most of every opportunity ahead. We are excited to continue this journey

with you.

Regards

Stella Oparah

Your Qualification in Sight

2026 is your year to achieve your qualification! Staying on top of your workplans, attending classes regularly, and completing your End Point Assessment on time will keep you on track. By focusing on these steps, you can confidently achieve your qualification as planned. You can check your Laser dashboard to see your proposed end date.

Learner Support Resources

We encourage all learners to make full use of the support and resources available to you. The **Laser Learning platform** is your central hub for success—use the *View My Lesson* page to access learning materials, send quick messages to your assessor, upload portfolio evidence, record Off-the-Job activities, and track your progress, all in one place.

You are also supported by our dedicated team:

Rosemary for learner support

Chinwe for Careers Information, Advice and Guidance,

Proscovia, our Designated Safeguarding Lead,

Given, our Deputy DSL, and

Your **assessors**, who are always available to provide personalised guidance and help you stay on track.

January 2026 Perks

Start the year refreshed and inspired with these exciting opportunities across London and the UK:

- **Free Museum & Gallery Visits** – Explore world-class museums like the [British Museum](#), [Tate Modern](#), and [National Gallery](#) without spending a penny.
- **Gym & Fitness Deals** – Many gyms offer January discounts and free trials; check local leisure centres for their promotions.
- **Winter & Wellbeing Walks** – Enjoy outdoor fitness and nature with events like the [London Winter Walk](#) or [London Walk for Wellness](#).
- **Theatre & Cultural Experiences** – Take advantage of discounted West End shows and January theatre deals via [Visit London's January Guide](#).
- **Wellbeing Workshops & Classes** – Support your mental and emotional health with sessions at the [Equanimity Festival](#) or London House of Wellbeing.

Recharge, explore, and prioritise your wellbeing as you step confidently into 2026!

TOTUM Voucher Codes

As an apprentice at JS Consult, you can **SAVE BIG** on your everyday shopping, eat & drink out for less, get discounted travel, make savings at 100s of locations and much more. Reach out today for one out of the 100 voucher codes for grabs.

Newsletter Feedback

Thanks to those who have given us their **feedback** on our apprenticeship monthly newsletters. Please take 3-5 minutes to share more feedback. Please click on the link below: [Feedback Link](#)

Apprenticeship Community

Join our community of volunteers or the alumni group. Also, register your interest in representing your peers by contacting the Learner Engagement Officer at r.nwankwo@jsconsultltd.com

Free Course Alert!

We have provided short courses for **FREE** to support your understanding of it.

Understand how to prioritise what is important and what is urgent. Learn about time management skills, and some of the theories behind them in this short **Time Management** course.

Apprenticeship Information Resource

AIR is a set of web resources curated to support you on your apprenticeship journey. It includes: [British Values](#), [Prevent](#), Equality, diversity and inclusion, [Safeguarding](#), [Career Information](#), [Advice and Guidance](#).
